JAYDIP PATEL
WEB DESIGNER | UI /UX DESIGNER

6352983198   gota, Ahmedabad   jdpatel61220@gmail.com

ABOUT ME

Creative and detail-oriented Web Designer with a strong foundation in HTML, CSS, JavaScript, and responsive web design. Familiar with UI/UX design principles, including user research, wireframing, and creating intuitive interfaces that behance user experience. Eager to join a dynamic team where I can learn, grow, and further develop both my technical and design skills.
